

INDIGENOUS

FOOD SOVEREIGNTY AND HEALTH SYMPOSIUM

A Two Day Virtual Symposium

8-11:30a AKST/ 9a-12:30p PT/ 10a-1:30p MT/ 11a-2:30p CT/ 12-3:30p ET

Program: February 17, 2022

Learn about Indigenous food sovereignty initiatives in diverse environments, including urban settings, and how communities have combined research with food sovereignty initiatives to measure health improvements. You'll also learn how to assess the costs and benefits of these initiatives within your communities and ways to either sustain your current initiatives or get new food sovereignty initiatives underway.
